To whom it may concern,

I am writing to update you on the support you are entitled to receive from the Home Office.

Following a recent review, it has been decided that people who have been assessed as eligible to receive support under section 95 or 4(2) of the Immigration and Asylum Act 1999 and who are accommodated in full board facilities should receive an additional payment each week.

This sum is intended to provide enough funds to cover the cost of buying items to meet needs related to clothes, non-prescription medicines and travel. Needs related to food, toiletries and communication will continue to be met by the accommodation provider.

Home Office records show that you are currently not eligible to receive this payment.

This is because you have not submitted an application for support under section 95 or 4(2) your application is still under consideration.

As a result, you are not currently not supported under section 95 or 4(2) do not qualify for this additional payment.

If you have any concerns about this letter, please contact Migrant Help UK on 0808 8010 503.

Yours sincerely
